IMPORTANT NOTE

Dear MAS parents,

As we finish off the school year, we want to give returning families some important information about what to expect over the summer to prepare for the 2022-23 school year.

First, as you know, we have moved over to the SchoolMint online platform for re-enrollment. THANK YOU so much for your participation in getting logged in. **The next step to re-enroll for next year is to complete necessary online forms for registration for the 2022-23 school year. These are now available in your accounts. This is how you will sign up for bus transportation. These forms are due by June 30th.** Please do your best to complete your online forms before the deadline, reach out with any questions, or stop by our main office for in person support.

We will still have our in person Back to School orientation events in late July where we will have parent meetings about school expectations, policy changes, and UNIFORMS will be available for purchase. Save the date for Thursday and Friday July 28th and 29th.
