WI Shares Childcare

What is WI Shares?

- A **childcare subsidy program, provided by the State of WI**, designed to help eligible families afford quality childcare while parents/caregivers are working, attending school, or participating in other approved activities. Subsidy level is determined by the State of WI (upon completing application) and will get a subsidy rate based on hours of service and demonstrated family income. Families will at this time be responsible for a co-pay if the State subsidy does not cover the entire weekly participation rate.
- Funds are loaded onto an **EBT-style card ("MyWIChildCare" card)**, used by parents to pay their childcare provider directly.
